RETIREMENT HORSE BOARDING APPLICATION

It is our pleasure to provide an application for your completion and submission as a prerequisite to retiring your horse at Long Branch Historic House & Farm. Please answer all questions as completely and accurately as possible and return the application via email along with a recent photograph (non-returnable) of the horse listed on your application. If the application for your horse is approved, you will need to submit a complete veterinarian report (including body score), a copy of the current Coggins test, and one month advance boarding fee of \$250.00. Upon acceptance of the application, it is recommended that you begin the Botulism vaccine series prior to your horse's arrival in order to minimize the quarantine period.
